

**EGYPT INTERCONTINENTAL**  
**FOR GRANITE & MARBLE S.A.E**  
*Subsidiary of : SALAMA GROUP*

## Company in Brief

Egypt Intercontinental for marble and granite is a subsidiary of Salama group which was established over 40 years ago. Our company had a vision, to produce and export worldwide high quality Egyptian marble and granite.

Egypt is renowned for its glory, its splendour, and its utter mysticism. We strive to capture this brilliance from the lands of the prophets in Sinai to the lands of the pharaohs in Giza. We obtain our products from our quarries extending within these exquisite lands.

Unconceivable, unprecedented beauty is the only way to describe the luxury of our products in the form of blocks, random slabs, tiles, standard cut sizes, and special sizes manufactured according to our customers specifications.

---

## Our Vision

---

To be the world's most reliable and innovative manufacturer, service and solution provider in the Marble and Granite industry.

---

## Our Mission

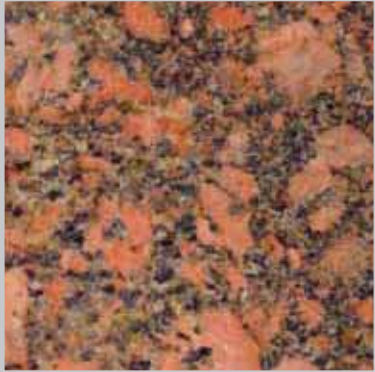

---

We are committed to the technological progress which will ensure high quality standards and the ability to meet the needs of an increasingly demanding and challenging world market. Our factory is fully equipped with the latest high tech machinery. This high tech production facility works 24 hours a day to provide our customers with superior quality marble and granite, with unparalleled levels of service, and uncompromising levels of quality. We take quality control very seriously and painstaking efforts are taken to perform quality checks every step of the production process to ensure an end product of the highest quality. Our success is based on flexibility to our customer's individual needs, our experience and detailed knowledge of the Egyptian marble and granite industry, our competitive prices, and the excellent service we provide for a very wide range of materials.
